

The petition and list of petitioners on the following pages comes from records in the Nantahala Power & Light Collection at Western Carolina University. Jack Coburn, the affiant below, was clearly a leader in the petition effort. Less than three weeks afterward, on November 30, 1934, Coburn, his wife Bland, and their niece, Betty, were all killed when a truck forced their car off the road into the Nantahala River. They were traveling west when the truck apparently pulled up on their right side and forced them all the way across the other side of the road (river was on their left at the crash site).

P E T I T I O N

SWAIN COUNTY  
NORTH CAROLINA

TO

Dr. A. E. Morgan  
T. V. A.  
Knoxville, Tennessee

Franklin D. Roosevelt,  
President of the  
United States,  
Washington, D. C.

Hon. Harold S. Ickes  
Secretary of Interior,  
Washington, D. C.

We, Citizens of Swain County, North Carolina, respectfully petition the Board of Tennessee Valley Authority to give careful consideration to conditions existing in the County with respect to Federal ownership of land within the County.

Recent newspaper articles record the purchase of two tracts of land in the area known as the Fontana Reservoir, whereas these purchases are in Graham County they do, in the opinion of the citizens of Swain County, effect the future welfare of Swain County; because of the fact that the greater part of the Fontana Reservoir lies in Swain County.

For many years the Nantahala Power and Light Company and its predecessors in title have provided very substantial tax revenues for Swain County and employment for its citizens.

The Companies have, in our opinion, conscientiously proceeded with the acquisition of lands needed for their development, paid fair and in some instances liberal amounts for the land purchased and have not to date exercised the right of Eminent Domain in Swain County.

At the present time only one-half of one of the three developed projects of these companies lies in Swain County.

We understand it is the intention of the Nantahala Power and Light Company to continue the acquisition of property and proceed with the development of its undeveloped properties as market conditions warrant. The citizens of Swain County look with favor upon increasing investments by this Company.

The solution of the difficult financial situation Swain County finds itself in, is, we firmly believe, depend upon the amount of

encouragement that can be given this Company to continue its program. Past Federal acquisitions of County property has deprived Swain County of 57.73% of its taxable area:

Total Area in County 553. Sq. Miles, 353,920 acres,  
National Park Lands 264.71 Sq. Miles, 169,414.05 acres,  
National Forest Lands 3.92 Sq. Miles, 2,511 acres,  
Cherokee Indian Lands 50.61 Sq. miles, 32,393 acres,  
Remaining taxable lands 233.76 Sq. Miles, 149,601.95 acres,  
Total decrease in taxable lands,

319.24 Sq. Miles, 204,918.95 acres.

We look with concern upon further encroachment by the Federal Government of this nature.

This Company and associated companies pay an annual tax of \$16,369.32 to the County. This is one sixth of all taxable income due the County.

The completion of the development contemplated will increase this amount many fold and it is this the citizens look forward to with hope and encouragement.

We respectfully request your honorable Board to desist from further acquisition of land in this and other reservoir areas of the Nantahala Power and Light Company in Swain County, and from any acts which will tend to discourage the progress proposed by this Company.

We earnestly submit that this is in no way indicates any lack of interest on the part of our citizens in the general aims and objects of the T. V. A. There are many rivers areas, tributary to the Tennessee River upon which no private Corporation contemplates investments, which in our humble judgment, should engage the attention of T. V. A.

We see no benefit to our citizens flowing out of the competition between the T. V. A. and Nantahala Power and Light Company. On the contrary we see irreparable injury to the County as a result.

Respectfully Submitted:

1. E. H. Corpening, Chairman Board of Commissioners
2. A. S. Queen, Commissioner
3. P. P. DeHart, Commissioner
4. T. D. Bryson, Jr, Mayor, Town of Bryson City, N. C.
