

Minutes for October 18, 2018

Secretary Report: Approved as read

Treasurer Report: Bank balance of \$9,028.84 as of 9/30/18.

- That balance was reduced to open an interest bearing CD (the vote, taken several meetings ago, was for \$5,000).
- A 13 month CD with APY of 2.20% was opened on 10/17/18 with \$5,000 from the checking account plus \$4,000 from a very generous donation from Toni Wright Davidson.

Business:

- Grounds Report:

- "Known but to God" headstones (15) ordered and received and are being located in place of concrete blocks and rocks. This will both improve the general appearance, but also make mowing easier.
- A marker for Douglas Stallcup was ordered by Ivan Gibby and has been placed.
- Don is requesting agreement from the Directors to contact Justin Ledford to straighten the large headstones with funds provided by the United Community Fund (our bylaws require agreement by a plurality of Directors for individual expenditures of over \$500). The large Brown headstone near the top of the gravel driveway is a priority.

New Business: Member's report

- Judy Revis missed the meeting and Doug reports she has good days and bad days.
- Ivan Gibby also missed the meeting due to new medications and ongoing health concerns.
- Several donations have been received in memory of Bob Breese.

Program: PowerPoint presentation by Wendy Meyers on the Stallcup-Garrett family. We were delighted to have 2 family members in attendanceMelody Greene and Patricia Mitchell Sawyer.
