Jason Brady, Western Carolina's interim Special Collections Librarian provided an overview of the Stearns-Grueninger Collection, which was donated by FBCC member Carl Grueninger III. Photos from that collection along with images from other sources, including the Frank Fry Collection (donated to Western by Jean Douthit), the TVA Kodak negatives in the Atlanta National Archives, the Park Service's Open Parks Network, and several other sources were used to provide some visual perspectives on the area's history from the early 1900s to the present.
